From the Desk of Bishop Henry

Looking back is a good thing to do especially before you start a new plan. Every year we begin the New Year by making a list of resolutions and goals. But to be successful in any venture it is good to have a plan. The saying is true, "If you fail to plan you plan to fail".

If your list includes the same goals or resolutions as last, what was the reason for your falling short of your goal? Whatever the reason, Satan will try to hinder you every time. He knows your weaknesses and he may use the same method to cause to you again miss your goal.

This year while making your list, remember, that in *CHRIST* you can do all things. (Philippians 4:13)
