

Southside Church of Christ

Instructions for Entry Into The Building

There is no parking on the church parking lot due to construction of senior housing and our roof. All persons will enter the building through the front gate on Manchester Ave. It is suggested that everyone arrive early to obtain parking on the street or valet. For those members who use the valet services it will be provided at no cost (tip is optional). Please arrive by 9:30am for timely entrance into worship at 10:00am. Valet service and front entrance gate will shut down at 10:15am.

Entry to the Church

- There will be **NO** entry to the building from the parking lot. The front entry gate will be open for access to the property. This area will be operated by the Security Ushers and Hostesses will also be present to ensure that anyone attempting to enter will comply with the revised COVID-19 protocol, approved by the Southside leadership.
- **Handicapped persons:** Those with difficulty walking or standing will be given priority. Once admitted, they will be directed to the westside door leading directly into the sanctuary and seated on the west side pews of the church building.
- **Walk-ins:** Once admitted to the property, walk-ins will be directed to the front entrance of the building after the Spanish congregation has concluded worship services and vacated the building, using the front entrance exiting to the sidewalk.
- At the conclusion of service, everyone who utilized valet service will be dismissed first and then everyone else will be dismissed to exit through the front door.

Street Parking

- It is suggested that you use both sides of Manchester Ave. for parking.
- **Pedestrian traffic** is reminded to utilize cross walks at the control intersection at Manchester Ave. and Harvard Blvd. Crossing at the corners of this intersection is being emphasized, do not cross in the middle of the street.

Valet Service

- Members who are using the valet services will park on the northside of Manchester Ave. and wait for directions from a member of the security staff to turn the corner onto Harvard Blvd.
- Valet attendants will come to the car, take your keys, give a parking receipt, and park your car.
- At the conclusion of services, members using valet services will exit the building first at which time you will give your parking receipt to the valet who will retrieve your car.

Members Check in

- Members will enter the building through the front door and pickup your communion service at the front desk from the hostesses.
- **Masks are required** to enter the sanctuary for worship services.
- Disabled, handicapped or unable to walk the distance, can enter through the side door on Harvard Blvd. as instructed by security or an usher.

As we start on this great work for our community, please be reminded that we are giving to serve those who are in need. The blessing comes from giving; your continued love and support has been incredible those attitudes are a direct result of walking with the Lord. May God bless this effort and continued prayer is needed.

The Leadership

CHURCH NOTES

Today our guest evangelist is Bro. Billy Curl from the Crenshaw Church of Christ.

The leadership has announced protocols to attend worship services at Southside have been revised. At entrance to our building members and visitors will not be required to do a temperature check or present a vaccination card however, masks are still required to attend worship services in the sanctuary.

Thank you to those who have made sacrificial offerings towards the repairs to our building. We have passed inspection and now the inside finishing work begins. Please continue your support. Give what you can with a "glad heart." God will bless our efforts.

From the Desk of Bishop Henry

... "Giving thanks always for all things to God the Father in the name of our Lord Jesus Christ," (Ephesians 5:20, NKJV).

God is such a giving God and there should be thanksgiving year-round not just on Thanksgiving Day.

We as human beings are prone to covetousness. We tend to focus on what we don't have. But, by giving thanks continually we are reminded just how good God is to us and how much we do have.

Thank Him for giving you the strength to overcome the trials and tribulations Satan has thrown into your life. Thank Him for the smile He puts on your face no matter the situation count your blessings and name them one by one and give thanks. (I Thessalonians 5:14).
