Something to Think About

When one becomes a Christian, we are expected to grow spiritual. That means we must get better at living the Christian life.

There is a word most heard by those who are into sports, "Exercise". In order to get better in we must exercise and with this desire we will see the some of the following qualities in our lives: Temperance, Patience, Godliness, Kindness and Faith.

Are you growing? Do you desire the spiritual food that will help you grow? If so, come study God's work with us. There is are many online Bible study groups and lessons that you can download or participate in every day.
