

Southside Church of Christ

Temporary West Side Entry to Building

There is no parking on the church parking lot due to construction of senior housing and our roof. Entry protocols instituted in 2021 due to COVID-19 will be followed. All persons will enter the building on Harvard Blvd. It is suggested that everyone arrive early to obtain parking on the street or valet. For those members who use the valet services it will be provided at no cost (tip is optional). Please arrive by 9:30am for timely entrance into worship at 10:00am and as before the valet and gates will shut down at 10:15am.

Entry to the Church

- There will be **NO** entry to the building from the parking lot.
- **A staging area/check point** will be set up at the entry gates westside of building. One gate will be open for access to the property. This area will be operated by the Hostesses and Security persons will also be present to ensure that anyone attempting to enter will comply with the COVID-19 protocols. Hostesses will continue the same procedures of attendance, temperatures, and wrist bands.
- **Handicapped persons:** Those with difficulty walking or standing will be given priority. Once admitted, they will be directed to the westside door leading directly into the sanctuary and seated on the west side pews of the church building. For those unable to walk far, side entrance will be made available
- **Walk-ins:** Once admitted to the property, walk-ins will be directed to the front entrance of the building after the Spanish congregation has concluded worship services and vacated the building, using the front entrance exiting to the sidewalk.
- At the conclusion of service, everyone who utilized valet service will be dismissed first and exit through the side door.
- Everyone else will be dismissed and exit through the front door.

Street Parking

- It is suggested that you use both sides of Manchester Ave. for parking
- **Pedestrian traffic** is reminded to utilize cross walks at the control intersection at Manchester Ave. and Harvard Blvd. Crossing at the corners of this intersection is being emphasized, do not cross in the middle of the street. Pedestrians at the check point should line-up south of the check point area on the sidewalk.

Valet Service

- Members who are using the valet services will park on the northside of Manchester Ave. and wait for directions from a member of the security staff to turn the corner onto Harvard Blvd.
- Valet attendants will come to the car, take your keys, give a parking receipt, and park your car.
- At the conclusion of services, members using valet services will exit the building first at which time you will give your parking receipt to the valet who will retrieve your car.

Members Check in

- Members check in has been relocated to the driveway area on Harvard Blvd.
- After being approved to enter the building - members will enter through the front door.
- Disabled, handicapped or unable to walk the distance, can enter through the side door on Harvard Blvd. as instructed by security, the hostesses and ushers.

As we start on this great work for our community, please be reminded that we are giving to serve those who are in need. The blessing comes from giving; your continued love and support has been incredible those attitudes are a direct result of walking with the Lord. May God bless this effort and continued prayer is needed.
